Jack attended EMT hearing in Goldendale. Commissioners stated they will not force the issue; it will go on the ballot for a levy. But, it is likely to pass due to our populace is greater and our levy will go down, so we will probably pass it. Whether Goldendale & East Side want it or not.

**New Business:** Jack asked about Tribal housing being forced to clean up their area. We were told to check status of land. If they pay taxes, yes. If no, then to go through the tribe. Three complaints from neighbors within ½ mile radius will trigger action.
