PUBLIC NOTICE

Planning

Klickitat County Planning Commission: July 2016

6/23/2016 - 7/20/2016

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Klickitat County Planning Commission will hold a public hearing **July 18, 2016 at 7:00 p.m.** in the Klickitat County Courthouse, Commissioners Meeting Room, 205 S. Columbus, Goldendale, WA.

THE PURPOSE of said hearing is to hear all interested parties who wish to testify for or against the following proposal:

REZONE ZON2016-01: Applicant: William Maley; Representative: Tenneson Engineering Corporation.

The proposal is (to be considered per Section 2.23:2 of the Zoning Ordinance which allows a rezone to be considered per a “resolution of intent to rezone” which moves to ensure the public health, safety and welfare will be best served) to rezone Block C of the original Plat of Dallesport dated June 4, 1946, including an approximate 8.46 acre parcel owned by William Maley and 26 individual lots encompassing the whole of Block C from Suburban Residential (SR – 20,000 square feet lot size) to Two-Family Residential District (R-2 – 6,000 square feet minimum lot size for single family residence; 7,000 square feet minimum lot size for two-family structure). The rezoning will facilitate the consideration of a Long Subdivision of Mr. Maley’s 8.46 acres into 19 6,000 – 7,000 sq feet lots and remainder parent parcel for a total of 20 lots. The proposed project is located within a portion of Section 33, T2N, R13E, W.M., Klickitat County, WA.

The Planning Commission may make recommendation to the Board of County Commissioners to approve, deny, approve with conditions, table, or continue the matter to a set time and place.

The application is available for review at the Klickitat County Planning Department, 228 W. Main St., Goldendale, WA.

BY ORDER of the Klickitat County Planning Commission dated this 23rd day of June, 2016.

/s/ James Dean, Chairman
Mo-chi Lindblad, Planning Director

**If you have questions about this important hearing and how it will affect you and your property values, please attend the Community Council meeting on July 14th.
Community Center - 136 6th Street - Dallesport.**

Book Report

By Judy Bane

"False Positive"

by Andrew Grant

For fans of Craig Johnson and James Lee Burke "False Positive" follows up the powerful punch of Andrew Grant's novel "RUN" with a staggering second dose of thrills and suspense that is just as smart, atmospheric, and soul-searing. Alabama detective Cooper Devereaux makes no apologies for his luxe lifestyle or the way he does his job. Most cops haven't lived the kind of life he has starting out as an orphan, raised by a grizzled cop savior and most don't use his kind of high-risk tactics. But he may have met his match in fellow detective Jan Loflin, who is fresh off a long undercover stint in Vice when they're partnered on a case that will test them both beyond their direst nightmares. A seven-year-old boy has disappeared from his home in the Birmingham suburbs. But the more Devereaux digs into the missing child's background, the more he discovers about his own, eventually shaking loose a series of harrowing truths about bloodlines, mass murder, obsession, and what two damaged detectives have in common with the innocent victim they're so desperate to save. This twisty page-turner the debut of the Detective Cooper Devereaux series hurtles at a mile a minute through an action-packed search for a missing child, culminating in an ending that no reader will see coming.

2016 Children's Summer Art Camp

July 5, 2016 10:30 AM - 3:30 PM

<http://www.thedallesartcenter.org>

Afternoon Classes: 1:00 PM - 3:00 PM ages 9-14
Contact Information: 541-296-4759

Heather Jean (Mattox) Pemberton

Heather passed away unexpectedly at her home on April 20, 2016 in Las Vegas, Nevada at the age of 52.

Heather was born to John and Alice Mattox April 13, 1964. She graduated with honors from Lyle High School in 1982. Heather lived in various locations throughout her life, including Washington, Oregon, California, Arizona, Hawaii, Tennessee, South Carolina and Nevada. She eventually settled in Las Vegas over 20 years ago, working for Albertsons in an executive position before her health forced her into early retirement.

Heather is survived by her two sons, John (Alicia) Pemberton and David (Kristin) Pemberton; her mother, Alice Mattox of Dallesport; three grandchildren, Levi, Natalie and Aurora; her brother, Wayne (Susan) Mattox of Dallesport; two nephews and one aunt.

Heather was preceded in death by her father, John Mattox; her grandparents John and Pearl Mattox and Charles and Dollie Schultz; eight aunts and three uncles.

Heather will be remembered as a generous outgoing individual who loved to crochet and quilt, take care of her cats and dogs and recount stories of her days as a police dispatcher in South Carolina.

A service to inter Heather's ashes will be held at Pleasant Hill Cemetery in Appleton, Washington at 11:00am on **August 27, 2016** with a potluck reception to follow at Columbia Hills Log Cabin, Hwy 197, Dallesport, Washington. Les Haarstad will officiate the ceremony. All are welcome to attend and celebrate Heather's life.

Community Council Corner

By Renee Briggs

Discussions at the June meeting included the Lyle School District, the Airport Fly-In, the Mosier coal train derailment and fire control.

Next month we will have two speakers. First will be Skyline CEO, Robb Kimmes to discuss the August 2nd. Levy election for Skyline Hospital, and then Sharon Carter from the Senior Center will talk about the available programs in Klickitat County.

Please join us for the next Council meeting on **July 14th**. at the Dallesport Community Center. At 7pm.

Dallesport Water Dist.

If you have any questions regarding your water system, please feel free to contact us: Dave Griffin, DWD Manager 541-980-6756,

or dwdmanager@qnect.net

Lyn Stevens DWD Clerk 541-980-6514, or dallesportwater@gmail.com

Monthly meetings are held on the 2nd Wednesday of every month at 6:00pm at the Dallesport Community Center.

K.C.F.D. #6

Dallesport/Murdock Fire Dept

July 16th. 7-10 am

Dallesport fire station

All proceeds go to the Dallesport Fire Department Building Fund.....

All you can eat Pancakes Endless Coffee & Juice... \$5.00 per Person

Fireworks on Sale Now

Dallesport Murdock Vfd is selling fireworks. Hours will be the 28th noon to 9..... 29th 9am to 9pm.... 30th 9am to 9pm.... Post Office

Jess Jones, Dallesport Postmaster brought it to the attention of the Community Council that people should use the Post Office as much as possible to keep it open. The hours for the window of the Post Office may be reduced if the activity at the window continues to decrease. Current hours are 8am – 2pm M-F & 7:30am – 11:00am for package pick up only. Phone 767-1577.

Skyline Hospital

Skyline Hospital will be asking hospital district tax payers to **renew** a 34 cent, per \$1,000 of assessed property value tax levy for an additional 20 years at the upcoming August election. With voter approval, Skyline will use the revenue from the levy to continue its expansion and development of health care facilities and services, as well as support the operations of the hospital.

The hospital and its clinics provide essential emergency, medical and wellness services for residents and visitors throughout its service area. Skyline continues to expand its services and outreach to meet the needs of the area's growing communities, and is a valuable community resource.

Skyline is committed to providing exceptional, personal and quality care to those we serve today and for future generations.

Important note: Skyline Hospital is NOT requesting an increase in tax dollars or support, rather a renewal of the existing 1997 levy currently in effect. The renewal of this levy will not increase taxes. **Election is August 2nd**.

For information, call 509-637-2602.

PUBLIC NOTICE

Building Inspection

Amending Title 16 Standards:

Mobile/Manufactured Homes, Coaches,

RV & Park Trailers

6/15/2016 - 7/6/2016

NOTICE OF PUBLIC HEARING

In the matter of amending Klickitat County Code, Title 16 Standards for Mobile/Manufactured Homes, Commercial Coaches, Recreational Vehicles and Recreational Park Trailers, as it currently exists to adopt the addition of permit extension fees, and changes to Wind Load requirements.

Whereas, the Board County Commissioners finds it necessary to set a Public Hearing date to consider making the necessary changes to Klickitat County Code, Title 16; and

Whereas, it is proposed that Title 16 of the Klickitat County Code be amended to adopt additions of fees for permit extensions, in excess of two approved extensions; and

Whereas, it is proposed that Title 16 of the Klickitat County Code be amended to adopt changes to the Wind Load requirements.

Notice is hereby given that a Public Hearing will be held on the **5th day of July, 2016**, in the office of the Board of

County Commissioners at the hour of 1:30 p.m., for the purpose of considering amending Title 16.

At said hearing any interested taxpayer may appear and be heard for or against amending Title 16 as it currently exists.

This notice only generally summarizes the proposed amendments of Title 16. A complete copy of the proposed Ordinance may be obtained by contacting Klickitat County Building Department at (509)773-3706.

Building Inspection

Amending Klickitat County Code, Title 15, Buildings & Construction, 6/15/2016 - 7/6/2016

In the matter of amending Klickitat County Code, Title 15, Buildings & Construction, as it currently exists to adopt the International Codes, 2015 edition.

Whereas, the Board County Commissioners finds it necessary to set a Public Hearing date to consider making the necessary changes to Klickitat County Code, Title 15; and

Whereas, it is proposed that Title 15 of the Klickitat County Code be amended to adopt the International Codes, 2015 edition; and

Whereas, it is proposed that Title 15 of the Klickitat County Code be amended to adopt additions of fees for permit extensions, in excess of two approved extensions; and

Whereas, it is proposed that Title 15 of the Klickitat County Code be amended to adopt additions of costs associated with filing and removal of Certificate of Nuisance,

Notice is hereby given that a Public Hearing will be held on the **5th day of July, 2016**, in the office of the Board of County Commissioners at the hour of 1:30 p.m., for the purpose of considering amending Title 15.

At said hearing any interested taxpayer may appear and be heard for or against amending Title 15 as it currently exists.

This notice only generally summarizes the proposed amendments of Title 15. A complete copy of the proposed Ordinance may be obtained by contacting Klickitat County Building Department at (509)773-3706.

All Klickitat county offices will be closed on Monday, July 4, 2016 in observance of the Fourth of July holiday.

Bringing Our Children Together

Why is Lyle School District talking about consolidating our schools into one building?

We have half as many children as we had in 1998; we receive about \$1.7 million less today than we would if we still had 450 students. We also currently receive a \$230,000 School Improvement Grant which will end after the 2016-17 school year. Our current operating budget leaves us with about a 1% ending fund balance, making it impossible to grow music, art, STEM, AP and other pro-grams, and which leaves us no money to address emergencies or the \$3 million in necessary repairs that the Levy that failed this spring would have addressed. Once the SIG grant expires, we cannot keep operating the district as it is.

If elementary students attend the secondary campus, where will they go? Will they be separated from high schoolers?

There are enough empty classrooms in the secondary campus, that with just a few moves, we can easily place each elementary grade in its own classroom. Primary grades (Pre-K, Kindergarten, first, second, third) would have their own hall with their own bathroom. Intermediate grades (fourth, fifth and sixth) would be clustered together and will have their own bathrooms. Middle and high school classes would be clustered together and will have a separate bathroom. Elementary and

secondary students would have separate passing times.

Would the teacher-to-student ratio or class size change?

No. We would retain the current class structure for elementary classes with one teacher and one para-educator working together to team teach each grade level. Each grade level, PreK-6 will have its own classroom.

Where would the elementary students play?

If the school board decides to consolidate, the district would erect a play structure in a fenced area, and create a space ideal for four-square, wall ball, and tether ball, which would also be a fenced area that would be off-limits to secondary students.

What would happen to the Pre-K program?

The Cougar Kittens and all their wonderful classroom materials would move with us! They'll be in the primary grades hall that has a bathroom and main entrance that won't be used by secondary students. Depending on family transportation needs, there may be buses that take students home or to Dallesport after school.

What would happen to the Dallesport building?

We would seek to rent or lease the building out to cover the costs of maintaining the building.

What would the district do with the savings?

We would begin building programs back in, such as increased music,

arts, CTE, and/or STEM classes. The district would work to create an ending fund balance of 5-8% of the total budget, which is important to the ongoing fiscal health of our district and our ability to continue growing pro-gram offerings. We would also begin to address the \$3 million in deferred maintenance the Capital Levy that failed in April would have addressed.

How much would the district save by consolidating the schools?

We would realize about \$171,883 in reductions in force plus \$52,316 in utilities and maintenance costs for a total savings of about \$224,199 annually.

Can we keep kids in two separate physical plants and offer them the most efficient education?

No. Short of a significant tax increase to our community or substantial growth in student enrollment, we'll never be able to offer the equitable programs our students deserve. Consolidation is the most effective solution to allow us to offer high-quality education from Pre K through twelfth grade, grow opportunities for kids and prepare all students for career and/or college.

Would there be more or different buses?

We would partner with our community members and our transportation department to make sure students are transported to school as safely, quickly, and comfortably as we can.

Update by Tria Bullard

On Thursday, June 9, the school board met at Dallesport Elementary. Superintendent Andrew Kelly recommended consolidation to the school board at this meeting.

The Board voted 3-2 in favor of moving forward with preparing a budget that reflects consolidation and the loss of 16 FTE (from where we are now).

We couldn't formally vote on consolidation because we discovered a state law that says that if a district is going to "close" a school building they have to follow a certain process, including preparing a formal report and not voting until 90 days after the first hearing. So our official vote regarding consolidation will occur at our August 18th meeting.

By voting to direct Superintendent Kelly to prepare a budget based on consolidation, it allows him to move forward with consolidation preparations, including convening a prek-5 parent meeting to discuss the transition, letting staff know, moving classrooms, etc. The vote on the 18th will be more like a formality with all of the pieces for consolidation already having been put into place.

Lyle Elementary Students Show Tremendous Growth

Lyle, WA
June 9, 2016

During the 2015-16 school year, Lyle Schools have implemented many reforms, which, according to state testing data, have paid off. Elementary cohorts in tested grades saw gains on both the English Language Arts and Math Smarter Balance test of double-digit percentage points over their cohort's previous year's scores.

Fourth grade students' proficiency in both ELA and math in 2015-16 is an astonishing 22 percentage points higher than it was for the same cohort of students when they were in third grade in 2014-15. These students demonstrated proficiency in ELA and math at very nearly the state average for fourth grade for 2015-16.

Fifth grade students scored 28 percentage more proficient in math and 12 percentage points more proficient in ELA this year than they did as fourth graders in 2014-15.

Second grade does not test, so we do not have cohort data for this year's third graders as compared to previous scores, but they scored 15 percentage points higher in ELA and Math this year than last year's third graders.

These gains can be attributed to the skilled teaching staff of the elementary students, who are all partnered with a para-educator so all ELA and math curriculum is team taught using a combination of whole and small group instruction. Elementary teachers also adopted a common curriculum to use for ELA this year, CTB McGraw Hill's *Wonders* curriculum. They are also in their second year of using Eureka Math as a common math curriculum.

State Superintendent candidate, Erin Jones, who visited Lyle earlier this year, when she learned of the turnaround in progress had this to say, "Turning schools around is not about changing students but about changing that behaviors and beliefs of the adults working with students. Sometimes all it takes is giving staff common language, tools and the opportunity to collaborate and realize no one is in this work alone."

We're super proud of the progress of our amazing 3, 4, 5th graders! Considering Lyle was previously in the lowest 5% of performing schools in WA state....this growth is amazing and exactly what we expected and our kids deserve!
Andrew Kelly

Dallesport PTO Meeting Tue, July 5th. 2:45pm – 3:45pm

Monthly on the first Tuesday

Next school board meeting will be held on July 21, 2016

Support your school and attend a meeting.
